## [Search For Content Within Documents With DocFetcher For Windows PC](#)

The screenshot displays the DocFetcher application window. The main pane shows a table of search results for the query 'SugarSync'. The table has columns for Title, Score [%], Size, Filename, Type, Path, Authors, and Last Modified. The results list various PDF guides and manuals related to SugarSync, such as 'SugarSync Kurzanleitung' and 'SugarSync QuickStart Guide'. The left sidebar shows document types and search scope filters. The bottom status bar indicates 'Results: 8'.
